International Association of Emergency Managers

MEMBERSHIP WITH IAEM:
Because people's lives depend on you.

IAEM

Invites you to join the Professional Association for Emergency Managers

The Association brings together emergency managers and disaster response professionals from all levels of government, as well as the military, the private sector and volunteer organizations in the U.S. and around the world.

The purpose of IAEM is to serve the emergency manager by:

- Encouraging the development of disaster resistant communities to reduce the effect of disasters on life and property.

- Acting as a clearing house for information on comprehensive management issues.

- Providing a forum for creative and innovative problem-solving on emergency management issues.

- Maintaining and expanding standards for emergency management programs and professionals.

- Fostering informed decision-making on public policy in the emergency management arena.
