 - o Input to Meeting Agenda – Scope of work for FY2010
 1. Billy Zwerschke recommended that the S & P Committee embark upon writing a “standard” for Emergency Managers. He said that the CEM Commission needs this document to assist in defining the role of Emergency Managers because there is confusion among those who apply for the CEM.
 2. Linda Murawski reported the development of similar materials for Department of Energy and offered to share with the S & P Committee.
 3. The Committee is pointed to the following website that is offered on the FEMA Higher Education Project, under “Job Market Data”
