

Annual Report for 2010
IAEM Standards and Practices Committee

- Conference Calls – monthly from November 2009 through September 2010 with over 50% of the committee participating in each call. The minutes of the calls are posted to the S&P Committee Webpage.
- A Committee Participation Policy was developed, adopted, and enforced.
- The Standards Compendium was completed and posted.
- Webpage updated – updated rosters, minutes, and standards updates among other features have become part of the webpage.
- Team on Competencies – Developed a set of Competencies for Emergencies Management and circulated the draft to the CEM Commission. Subsequently the Competencies Team reviewed EM competencies documents from the U.K. and from New Zealand. The New Zealand standard will be reviewed by the CEM Commission later this month.
- *IAEM Bulletin* articles were submitted by Elysa Jones [two articles], Lu Canton, and Dean Larson.
- Standards Panel was organized and manned by Committee members during the 2009 IAEM Conference in Orlando.
