

FY 2010 Emergency Operations Center (EOC) Grant Program

Total Funding Available in FY 2010: \$57.6 Million

Purpose: The Emergency Operations Center (EOC) Grant Program is intended to improve emergency management and preparedness capabilities by supporting flexible, sustainable, secure, and interoperable Emergency Operations Centers (EOCs) with a focus on addressing identified deficiencies and needs. This program provides funding for construction or renovation of a state, local, or tribal governments' principal EOC. Fully capable emergency operations facilities at the state and local levels are an essential element of a comprehensive national emergency management system and are necessary to ensure continuity of operations and continuity of government in major disasters caused by any hazard.

Eligible Applicants: The governor of each state and territory is required to designate a State Administrative Agency (SAA) to apply for and administer the funds awarded under the EOC Grant Program. The SAA is the only eligible entity able to apply for the available funding on behalf of eligible state, local, and tribal EOCs.

Program Awards: The FY 2010 EOC Grant Program will provide \$57,600,000 for construction or renovation of a state, local, or tribal government's principal EOC. Of this amount, \$47,442,500 in non-competitive funding has been appropriated for designated EOC projects throughout the Nation. The remaining \$10,157,500 shall be allocated competitively to eligible state, local, or tribal government's principal EOCs.
