News Release

Park City Emergency Program Manager Hugh A. Daniels, CEM, UCEM, Sworn in as IAEM-USA Treasurer

Jan. 26, 2018 (Falls Church, Va.) — Hugh A. Daniels, CEM, UCEM, emergency program manager for Park City (Utah) Municipal Corporation, has taken office as treasurer of the USA Council of the International Association of Emergency Managers (IAEM-USA). His term is for three years, during which he will actively participate as a member of the IAEM-USA Executive Committee and Board of Directors.

Born in Southern California, Daniels has served as the emergency program manager for the Park City Municipal Corporation since 2007. In addition he has an 11-year EMS and public safety background in Pasadena, California, where he served as chief paramedic and was the operations commander for many large special events such as the Rose Parade, Rose Bowl and Super Bowl. In between stints in public safety, Daniels has owned a lodging company and consulting company.

Daniels has a B.S. in Accounting and a Masters in Business Administration, along with Certificates of Achievement in FEMA’s Professional Development Series, and Advanced Professional Series. He is a graduate of the FEMA/EMI Executive Leadership Academy and earned the International Association of Emergency Management (IAEM) Certified Emergency Manager (CEM) and Utah Certified Emergency Manager (UCEM). He holds a lifetime vocational teaching credential and he has been a state, regional and national speaker.

In addition, Daniels is very knowledgeable and has been a very active member of his local community for more than 30 years where he has demonstrated his leadership in many public service roles. He has served as: chairman of the Park City Chamber/Bureau; a Board member of the Park City Lodging Association; a member of Historic Main Street Board; a member of the Summit County Tax Advisory Committee; board member and chairman of the Professional Association of Innkeepers International (PAII); an elected member of the Park City City Council; member of the Utah Legislative Sports Advisory Committee; member of the Utah State Health Department Preparedness/EMS Senior Advisory Council; member of the Utah Governor’s Emergency Management Administration Council; a board member and president of the Utah Emergency Management Association (UEMA); and a commissioner for the IAEM CEM Review Commission.

IAEM-USA, the nation’s largest emergency management professional association, is a non-profit professional organization representing more than 4,500 emergency management and homeland security professionals for local communities, state and federal disaster officials, private sector, non-governmental organizations and others involved in preparing for, responding to, and recovering from all types of disasters including acts of terrorism. IAEM provides: access to the largest network of emergency management experts who can provide advice and assistance; the Certified Emergency Manager program; annual scholarships; a comprehensive monthly newsletter; and more.
