

Announcing BC Management's Annual Continuity Study

The BC Management Compensation Benchmarking Survey is the Salary report that Continuity (BC/ DR/ EM/ Risk) executives and HR Professionals downloaded over 35,000 times last year. It's the one they turn to for critical information when developing and hiring for their Continuity Programs. AND it's conducted by the only executive search firm that specializes in business continuity, disaster recovery and related careers.

This is your exclusive invitation to join the nearly 1,500 Continuity professionals around the globe that complete this survey annually. When you complete it, you'll receive a copy of the completed study that will allow you to stay informed of industry salary standards – an important tool you can use! You could even win an Amazon Gift Certificate for \$200!

The on-line survey is now open and will remain available until 2/17/2008. Please click on this link to begin the survey.

(Note: Please use Internet Explorer to complete the survey. You will then need to insert a unique username. No password is required.) We appreciate your time and effort!

Why take our study?

- Results are used to assist in benchmarking Continuity compensations and programs. Complete confidentiality! You choose to reveal your information!
- Study accommodates FTE employees, FTE professional consultants, independent consultants and unemployed professionals with a different track of branch questions.
- Areas covered include compensation, Program Benchmarking and Education and Training.

Results for this study will be available between early March – late May 2008.
